IBM Cloud Profile:

The screenshot displays the IBM Cloud user interface. On the left is a dark sidebar with a menu containing 'Profile', 'Active sessions', 'Login settings', and 'Notification preferences'. The main content area is titled 'Profile' and features a 'Contact Information' card. This card includes a circular placeholder for a profile picture with an 'Upload a photo' button below it. To the right of the photo placeholder, the following details are listed: 'User ID' (910019104002@smartinternz.com), 'Password' (masked with asterisks), 'Email' (910019104002@smartinternz.com), and 'Role' (with a prompt to click 'Edit' to enter a role). Below these, the 'Name' is listed as 'Abidarsh Mohan', followed by 'Industry' (with a prompt to click 'Edit' to enter an industry) and 'Language' (set to 'English'). An 'Edit' link with an external icon is located at the top right of the 'Contact Information' card. The top of the page features a header with the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account name 'Abidarsh Mohan's Account'. Utility icons for help, home, recent, notifications, and user profile are on the far right. A blue chat button is visible in the bottom right corner.
